The true story of an English boxer incarcerated in one of Thailand's most notorious prisons as he fights in Muay Thai tournaments to earn his freedom. I love fight films and also true stories, but this was below expectation. Considering this film was meant to be about a boxer fighting for his freedom you would have thought they would have trained the lead actor to actually fight. He can't throw and punch and most of the fight scenes are all over the show and mainly grappling. The film tells the events Billy Moore encountered while being locked up in a notorious Thai prison. The film deals with serious themes of suicide, drug addiction, rape, and more. This film is not for the faint of heart, it is dark and gritty but in the end it is a redemption story, and in my opinion one of the better prison films out there. A Prayer Before Dawn is concerned above all with ensuring that we share its main character's sense of dislocation and entrapment. a5c7b9f00b
