The screenshot shows the main window of Tenorshare Data Recovery Professional. The window title is "Tenorshare" and the application name is "Tenorshare Data Recovery Professional". The interface is divided into three main sections:

- All Devices Supported:** Features an icon of various storage devices (hard drive, USB, camera, etc.) and text stating: "You can recover data from internal hard drive and other removable media like digital camera, mobile phone, memory card, USB, external hard drive, pen drive, etc."
- All Files Supported:** Features an icon of a film strip, a photo, and a music note. Text states: "This is the world-leading data recovery software that can recover photos, videos, audio files, etc. in all types of formats, like JPG, BMP, MOV, MP4, DOC, WMV, MP3, etc."
- 6 Recovery Modes:** Lists six modes in numbered buttons: 1 Deleted, 2 Formatted, 3 Partition, 4 Raw, 5 Resume, and 6 Wizard. Below this, it explains: "Standard recovery modes: Deleted Recovery, Format Recovery, Partition Recovery, Raw Recovery, Resume Recovery. Advanced recovery mode: Wizard Recovery."

At the bottom of the window, there is a "Start" button and a footer with the "P30DAY.COM" logo and the text "Want to try this powerful data recovery tool? Let's click 'Start' button to begin data recovery."
